This is How We Teach Reading...And It's Working!

The what, why, and how of teaching phonics in K-3 classrooms

Heather Willms & Giacinta Alberti

276 pp • ISBN 978-1-55138-357-6 • \$38.95 • K-3 • 2022

A clear, structured method for integrating explicit phonics instruction into K-3 classrooms. An essential guide for teaching reading, the book is grounded in the cutting-edge, evidence-based Science of Reading. It provides a flexible and effective week-by-week, step-by-step progression that covers the essential phonics skills that teachers have been asking for, and addresses the needs of busy, diverse classrooms. This blueprint explores screening, assessment, and intervention, as well as working with English language learners.
